

GRANDPA'S ORCHARD® SWEET CHERRY POLLINATION GUIDE

NOTE: Bloom times can vary according to region and current year's weather and season. Varieties listed in general order of bloom ranges, and may bloom in somewhat different orders some years.

NOTE. BIOU			Early																																			
Tart cherry: All tart cherries are self-fertile, and do not require											Earl	y Mid-	seas	on to	Mid	l-seas	on b	loom	ers															_				
pollinators. Although tart cherries can cross-pollinate sweet										Į									Mid-	-seas	on to	Late	mid-	seas	on bl	oom	ers.											
cherry, they should not be depended on because they bloom																													La	te mi	id-se	ason	to La	ate bl	oome	ers		
much later typically.																																			Late	bloon	ners
